D

EDICATION

We, the Staff of the 1943 Recall, do dedicate
with pride this, our second war publication, to

THE MEN OF THE ARMED FORCES

To those gallant men who are fighting on land,
sea and in the air, so that the world might be a
better place in which to live, we pay tribute.
They fight and are willing to die for what they
hold dear, and will continue to fight until in victory
they will be greeted with cheers. To those of
them who have given their lives and to those who
will give their lives, there is and always will be a
certain triumph in the hearts of us all.

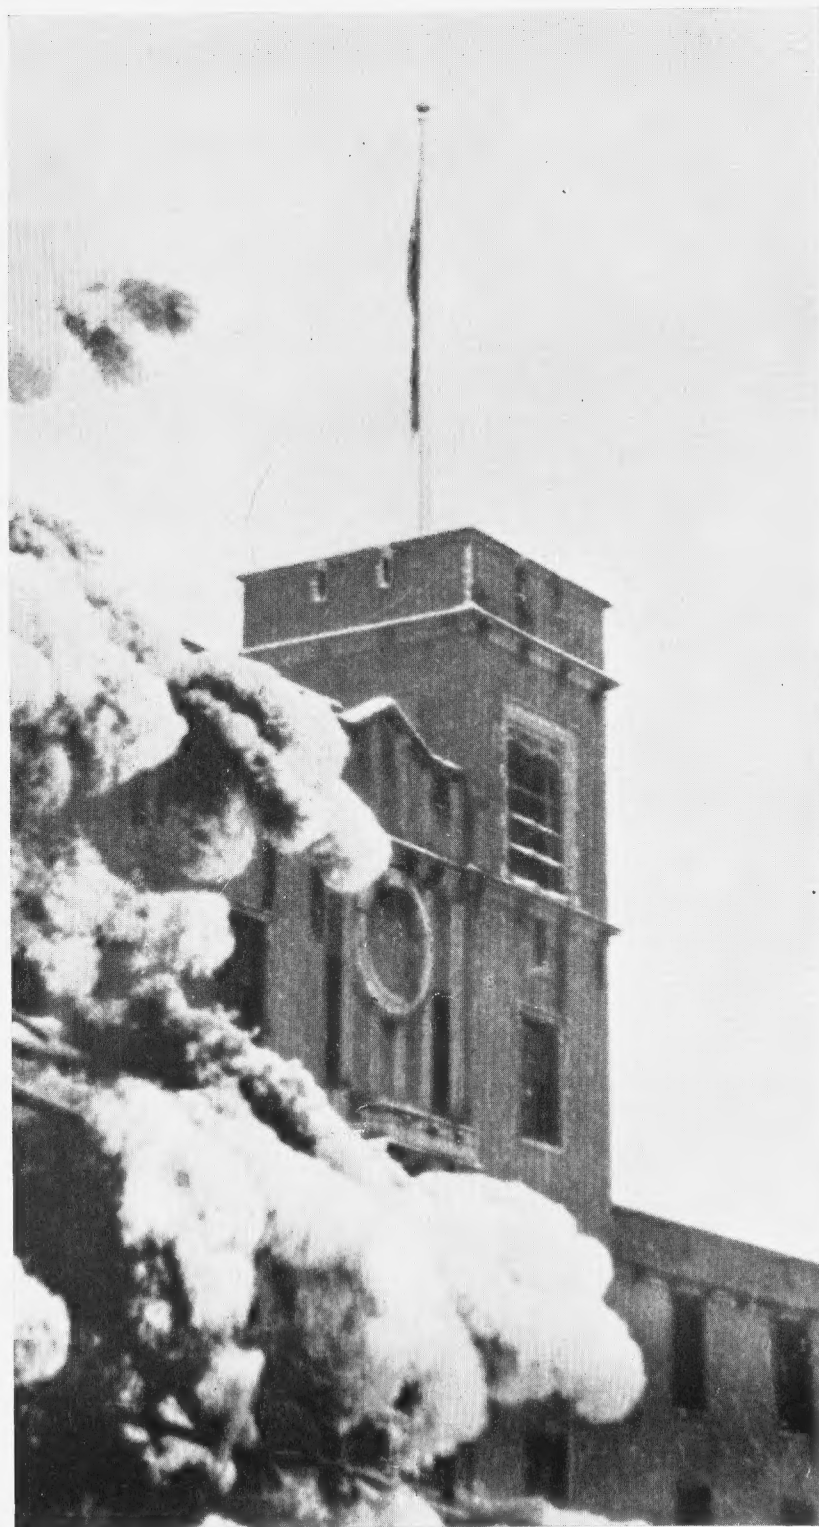

FOREWORD

Too soon cadet days fade and leave the cadet to face the perplexing problems of a world in the turmoil of history's greatest war. With the realization that remembrances of A. M. A. will become less vivid yet more precious as time progresses, we have attempted to weave together fragments of all the events of this year. It is our hope that this 1943 Recall will remain always a real recall of happy memories.

MILITARY

TACTICAL OFFICERS

In April, Lieutenant Ralph E. Carlson was detailed here by the War Department as P. M. S. & T. He succeeded Lieutenant Colonel Ray W. Harris, who was forced to leave us due to ill health. In Lieutenant Carlson, who was ably assisted by Lieutenant Colonel Robinson, Colonel Louisell, Major Cherrington and Sergeant Collison, we found a man who was a soldier, a gentleman and a hard worker. His interest in our advancement in military was unsurpassed, and over-night, he became a part of us.

BOOK FOUR

VARSITY FOOTBALL

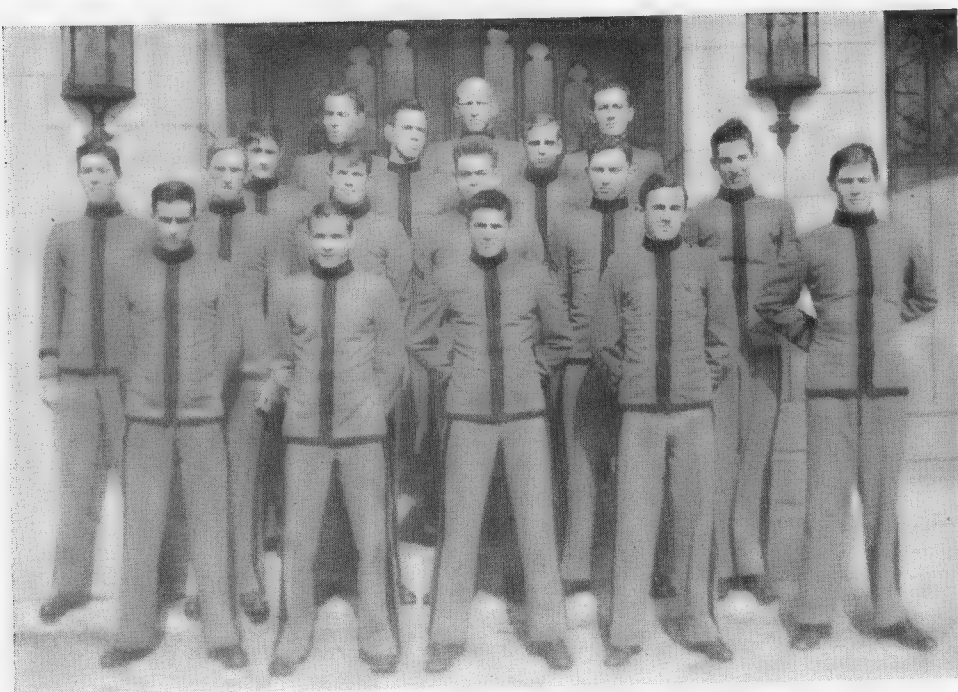

The A. M. A. Varsity turned in a fine record this year under the able coaching of Captain J. Albert Tomlin and Colonel Louisell. They were faced with one of the toughest schedules A. M. A. has had in several years. Among the teams they played were the Navy Plebes, V. M. I. Freshmen, University of Virginia Freshmen and others of equal strength. Out of the total of ten games played, they won 6 and lost 4. The two games, in which the best performances were given, were against the V. M. I. and the U. of Va. Frosh. We won over Virginia but lost V. M. I.

Bill Tuminella and Bill Larnier were named on the All-State Prep School Team and Dick Clay and Monk Davis were given Honorable Mention for All-State.

To climax the season Augusta defeated their traditional rival Fishburne Military Academy in a thrilling game. This game was played on the home field and was accompanied by the usual good-natured rivalry between the two corps of cadets.

The team this year was captained by Fred Cross and Tex Mahone, both lettermen from last year.

Members of the team to receive their A's were as follows: Mahone, Cross, Null, Bradley, Fricke, Davis, Clay, Tuminella, McCue, Moore, Lininger, Rushmore, Vandergrift, Larnier, Eddy, Farrar and Eborn (who did a fine job as manager this year).

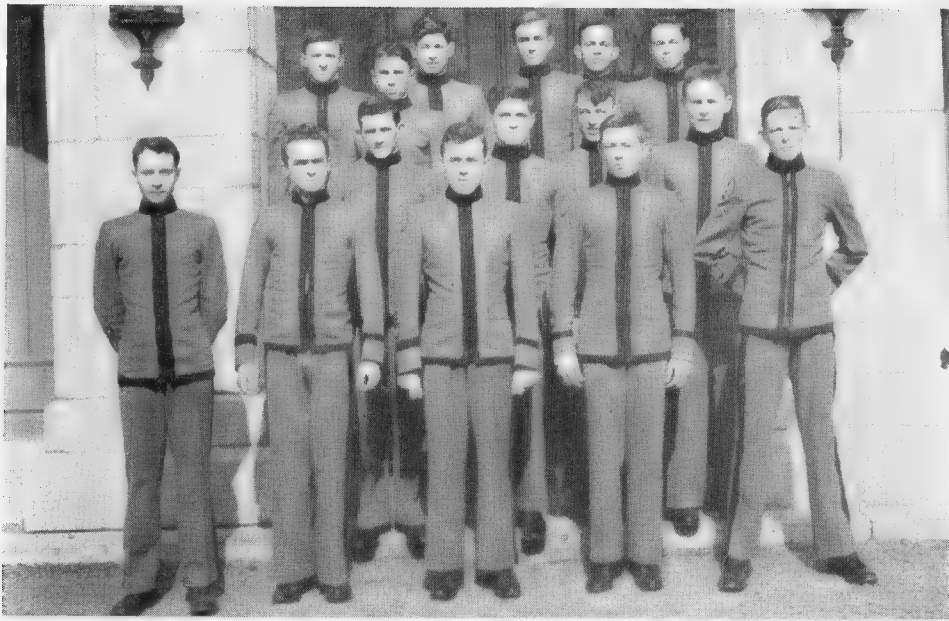

J. V. FOOTBALL

The opening game of the season was with Lee High in Staunton. Augusta was definitely superior in all departments of the game but did not take advantage of its superiority. Time and again we muffed our chances for victory. The game ended in a scoreless tie.

In the two games with Stuarts Draft we held the advantage both in weight and ability and both were victories for our side. In the first game our attempts to run up a score were somewhat shattered for our eagerness made us careless. Many substitutes saw action in this game. Final score was 26 to 0. In return game S. D. surprised us by hurling a long flat pass which fortunately for them was completed for their first and only score of the season.

In the next game which was against V. S. D. B. we met our only defeat of the season. Our team appeared dazed from the first whistle and our opponents took advantage of this time and again. We did little if anything in the way of attack or defense.

In the season's final we met supposedly the Harrisonburg Reserve, supplemented by the majority of their varsity's players. We put up a game fight against the team that won the Class B High School championship and the game ended with the score 18 to 7 in favor of our opponents. Our line, particularly Porter and Wonn made many openings for our stellar quarterback Powell to crash through for a total 98 yards to his credit.

PEEP FOOTBALL

The Peep football team started its season inauspiciously, practicing on the back athletic field, and with no equipment. However, due to the fine spirit of the boys and the able coaching of Capt. Paul V. Hoover, the Peeps overcame these obstacles.

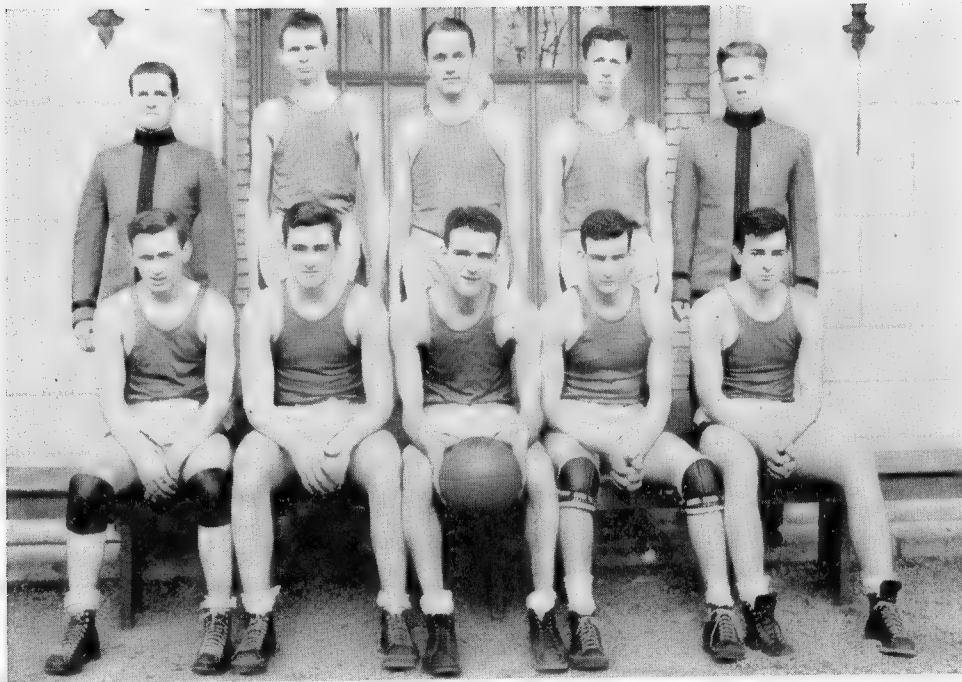

In their first contest with the VSDB, the Peeps showed their vigor to win by downing the opponents 12 to 0.

Following up this victory, they defeated an aggressive and determined squad sponsored by the Kiwanis of Waynesboro by a close score.

In the next encounter of the season the Peeps were held to a tie by the Junior team of the VSDB.

In the subsequent game with Fishburne, A. M. A. was defeated by overwhelming odds. In a return engagement with Waynesboro A. M. A. was defeated by the score of 12 to 7.

In the football finale at Augusta, the second J. V's held the Peeps to a scoreless tie for three quarters. The Peeps held the advantage and threatened to score many times. The final period saw both fighting on equal terms.

VARSITY BASKETBALL

Our basketball team this year had a very hard schedule which called for 15 games. Under the coaching of Captain Tomlin and the leadership of Captain Earl Cabaniss the team played hard throughout the season and at the end of the season, Jack Holcomb and Claude Bradley received honorable mention for the All-State Team.

They got off to a good start but it did not last long. They won the first, but lost the next three games. Fork Union won by a score of 50 to 31. Massanutten 64 to 27 and Harrisonburg 23 to 13. They met Harrisonburg for the second time and defeated them by the close score of 30 to 28. After this came the best and hardest hitting opponent of the year, Greenbrier, which defeated us 45 to 29. "Ace" Holcomb took the honors by ringing up eleven points.

The best football game ever played on a basketball court was played at Fishburne. Fishburne won 33 to 19 in a hard fought game. Washington and Lee got the surprise of their lives when they came to Augusta and went away with the short end of a 38 to 27 score. In their second encounter with Fishburne they settled for their first defeat at Fishburne by soundly trouncing them 33 to 18.

Although they won only six games out of the 15 they merit a lot of credit because the odds were against them in nearly every game and they never admitted defeat until the final whistle.

BOXING TEAM

The 1943 Boxing Team upheld the record set by previous teams by taking the South Atlantic Prep and High School Championship Tourney in Charlottesville. They won by a large margin from such schools as Charlotte Hall M.A. of Maryland, Charleston High of W. Va., and Miller School of Virginia. Their only defeat was at the hands of the U. of Virginia Freshmen who won over them by one point. Due to the difficulty of obtaining transportation there were fewer meets this year than is customary or their record would have been more outstanding. A large amount of this credit must go to their coach, Captain Morrissey, who with only three of last years team as a nucleus, built a championship team. The team this year was captained by Tom Warner, a veteran boxer with three years of fighting behind him. The other two lettermen from last year were Cecil DePriest and Terry Tariche, both of whom gave outstanding performances throughout the season. The others on the team were: Bob Porter, Bob Powell, Bill Tuminella, Adolph Null, Harry Van Riper, George Solan, Edward Polisher, Henry Dunbar, Bill Eddy, and Tom Caruso. Freddy Costa was manager. Those to receive major monograms this year were: Tom Warner, Cecil Depriest, Terry Tariche, Bill Tuminella, Bill Eddy, Adolph Null, Edward Polisher, and Bob Porter. The other members of the team received minor monograms.

FENCING TEAM

Fencing at Augusta enjoyed its second most successful season in the history of the sport at this institution. Captain Paul V. Hoover again brought forward much promising new material while further developing those who remained from last year's squad, undefeated in prep school competition. Practice began early in December and continued far beyond the regular season which ended March 1st. The first meet was with the Varsity Team of the University of Virginia, held at Charlottesville, and the second one here at Fort Defiance. Although defeated in both meets, we, nevertheless, gave these foilsmen a good fight, and we gained much needed experience which enabled us to gain unchallenged supremacy among prep schools in the state of Virginia. Small and McGloon came very close in unthroning the co-captains of the University. Fork Union was the next school met in subsequent meets here at Augusta and later at Fork Union. This school brought a South Jersey Champion surrounded by four excellent assistants. Although forced in the first meet, A. M. A. showed its superiority and administered a stunning defeat to F. U. In the return meet, McGloon, Small, Haycox, and Linstone won two of their bouts. In the final meet of the season, Woodberry was given a crushing defeat when A. M. A. romped over them to bring to close a glorious season. Lee, Bowers, Villanova, and J. B. Hevener were instrumental in keeping up this team's fine record. Since A. M. A. started its winning streak four years ago, we have won seventeen meets out of twenty-one, losing but once to a prep school, while the other three losses were to college varsities.

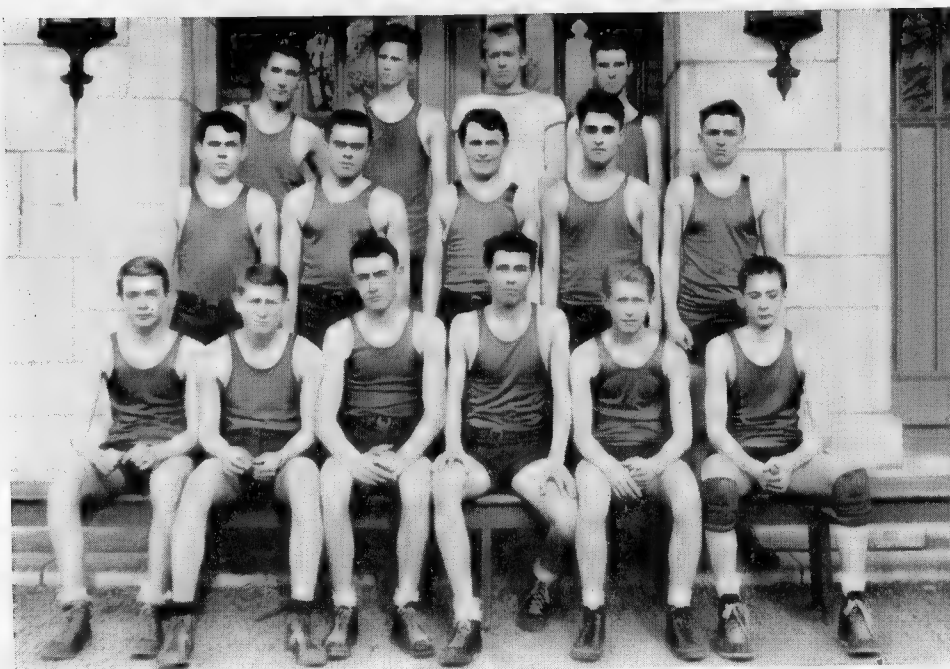

RIFLE TEAM

The 1943 Rifle Team opened its season with a match with Hargrave Military Academy who had a determined and difficult team to beat, but the A. M. A. team was victorious by 46 points.

Three weeks later the Intercollegiate Corps Area Match was fired and although the A. M. A. team did not place as high as it had hoped, it did make a good showing.

Soon after this, the four way match was fired at Fishburne Military School between, Fishburne, Fork Union, Massanutten, and Augusta teams. Augusta placed third in this match beating Massanutten and losing to Fishburne and Fork Union.

The entire rifle season however is based around the Hearst Trophy which was fired during the week of the 19th. Our team did not place, however it was honored by having the highest individual scorer in the Essentially Necessary Military Schools. The score was made by cadet Collingwood who is the captain of the team. His score was 188 out of a possible 200. Four positions. The members of the Rifle Team are: Collingwood, Haden, (mgr.), Jansing, Todd, Small, Burge, Clede, Brewer, R., Cockrell, Louiselle.

J. V. BASKETBALL

Although not winning the majority of their games, the J. V. basketball team held some fast and very close games against schools which outclassed them. The team spirit and cooperation among the boys was due largely to the able coaching of Lt. Davidson who gave his whole-hearted attention to the job. The most exciting game of the year was with the V. S. D. B., the outcome of the game not being decided until the final thirty seconds of play, when a sharpshooter of V. S. D. B. scored with a field goal. Due to transportation difficulties, the schedule was limited to 10 games of which we won 4 and lost 6.

SWIMMING TEAM

The A. M. A. Tankmen, under the able tutelage of Captain Morissey and Captained by Cadet Gardner, lost four meets, two to Massanutten and two to Fishburne.

The members of the team were: Cadets Gardner, McOwen, Gruber, Keppler, Venzer, Emerson, Long, Louiselle, Lowinger, Clay, Owen, and Cross.

Cadet Gardner took four "firsts" in the 100 yard breast-stroke and three "firsts" in the diving. His only second was taken when he ran into too difficult competition from the amateur Diving Champion of Pennsylvania.

Cadet Venzer took two "firsts," one "second," and a "third" in the 50 yard free style. Cadet McOwen captured one "first," two "seconds," and a "third" in the 220 yard free style. Cadet Long took a "second" and three "thirds" in the back-stroke. Cadet Keppler is credited with three "thirds" in the 100 yard free style.

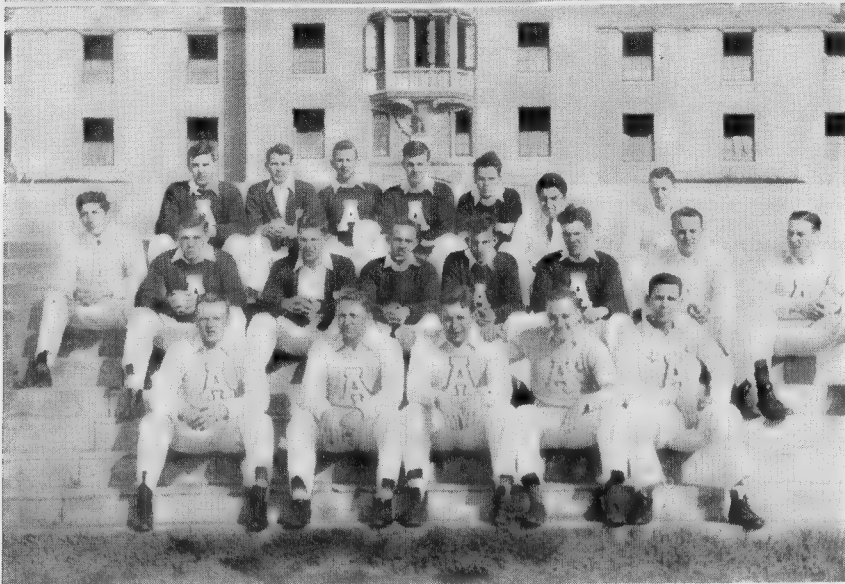

Although the aquamen lost all of their meets the competitive spirit was never lacking.

"LOVER OF FRANCE"

This person was a quaint old man
For almost all his life,
They said he loved the land of France
As dearly as a wife.

When young, he spent his summers there,
And yet he didn't stop at that,
He brought back queer, small, paper books
And always wore a broad French hat.

He went to France, oh, many times
And brought back poppy seeds,
The ones he sowed along the road
Among the briars and weeds.

The poor old man grew sick and died
One cloudly Autumn day,
About a year before France fell,
'Twas really best that way

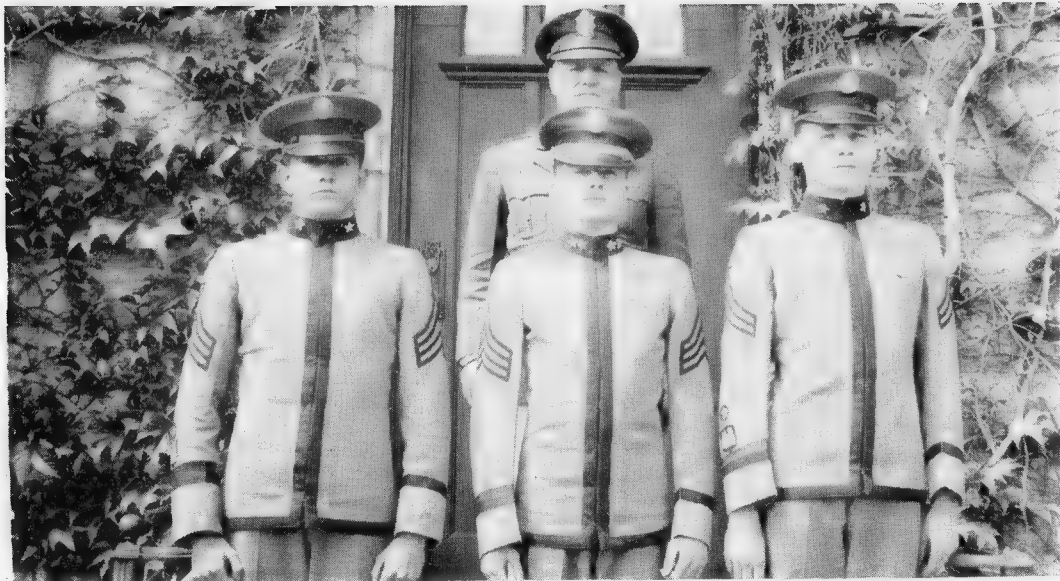

—HELEN DABNEY DEANE

Military Academy Faculty)

ACTIVITIES

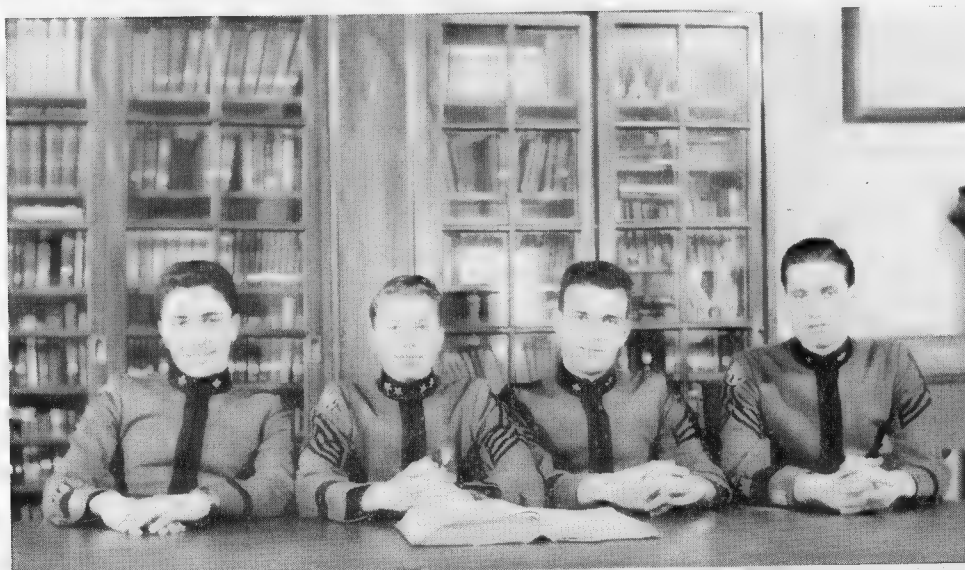

"AD ASTRA PER ASPERA"

"Ad Astra Per Aspera," "To The Stars Through Difficulty," the motto of our school. The "Ad Astra Per Aspera" Honorary Fraternity was organized by Major Roller in 1924. It is the highest honor that can be bestowed upon a cadet at this school. Ten new members, who have risen to the top through difficulties, are added each year. It is every cadet's greatest ambition to acquire this honor, and we do not hesitate to say that all who are named to the organization will become a great success in later life.

The present cadet members are Robert C. Powell, Frank R. Vass and William C. Stuart, III, who received this great honor last year. May all who wear the "Ad Astra" pin always remember dear old A. M. A.

The RECALL Staff this year was headed by William C. Stuart, III, with John C. Jansing as Business Manager. The organization performed under the faculty leadership of Captain Paul V. Hoover.

Because of the war, all expenses were cut in half, which meant the staff worked under a great handicap. However, all members of the staff worked hard, and under the circumstances did the best they could. Staying up late every night to put out a book for the cadets, the members of the 1943 RECALL staff are actually "unsung heros."

After several years of non-circulation the *Bayonet* was revived this year under the supervision of Captain Hoover, and edited by William C. Stuart III until the middle of April when he resigned to accept the editorship of the RECALL. The position of Editor-in-Chief then fell into the capable hands of John C. Jansing who continued for the rest of the year. The staff of the *Bayonet* was hard working and faithful, who to the best of their ability have given the cadets something that no school is good without—a good newspaper.

THE FINAL BALL

The great honor of President of the Final Ball this year was given to Cadet Vass. He chose as his assistant leaders Cadets Suttle, Wilson, L., Aquilera, G., and Aquilera, H.

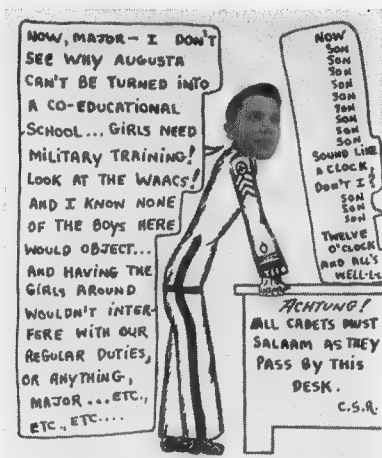

The Final Ball started with the usual Military Figure, for which A. M. A. is justly noted, led by Cadet Vass with Miss Mary Leonard of Galax, Virginia. Colonel Robinson supervised the figure and spent many long hours in its preparation. We wish to express our sincere thanks to him for his untiring help and effort.

The gym was beautifully decorated with crepe paper and flags by Cadets Aquilera, G., Costa, and Clay and their Committee.

The Cadets and their dates danced by the soft lights and the sweet music of JOHNNY SATTERFIELD and his Orchestra.

The Final Ball Committee included Cadets Vass, Suttle, Wilson, L., Aquilera, G., Aquilero, H., Costa, Powell, Cabaniss, Clay, Linstone, Smathers, Oakey, and Ingram.

More Than a Matter of Conquest

Instrumentalities of death and destruction and brave men to operate them are not all that America requires in order to bring about adequate victory in the war now raging.

The home fires—the instrumentalities of day-to-day living—also need to be kept alive. For example, the mothers, the young people, and the aged of the civilian population should be surrounded as generously as possible with future financial security. In providing security of this kind, life insurance sets up defenses that are supremely dependable.
